# THE READING

From <https://breakingnewsenglish.com/2306/230629-homelessness-0.html>

Prince William wants to end homelessness in the U.K. More than 300,000 people are homeless. In London, homelessness is increasing. William's mother took him to a homeless charity when he was at school. He will never forget how sad he felt. He said that in 2023, everyone should have a home.

William started a charity called Homewards. It has a five-year project. First, it will work in six areas of the UK. Then, it will help the whole of the UK. William wants to give people hope that we can end homelessness. He believes that by working together, it is possible to do that.
