THE READING

From <https://breakingnewsenglish.com/2401/240125-youtuber-mrbeast-0.html>

MrBeast, the most-followed YouTuber, has made \$250,000 from a video he put on X. The video has had 157 million views. There are more views every day. It is called "\$1 Car vs \$100,000,000 Car". Many companies bought ads on his video. He will give the \$250,000 away. Twelve lucky followers will each get \$20,000.

MrBeast wanted to know how YouTube videos become so popular. For five years, he studied this. He said: "I woke up, I would Uber Eats food, and then I would sit on my computer all day just studying [stuff] nonstop." He is now a successful businessman and influencer. He also does a lot for charity.
